Case No.: 1:20CR00020

MOTION TO DISCLOSE CONCLUSION OF SANITY EVALUATION

The United States respectfully moves this Court for an Order allowing it to disclose the conclusion, but not the contents, of the sanity evaluation report filed under seal on February 24, 2021 (ECF No. 110), to the living victims and the family of the deceased victim in this case.

Pursuant to the Court's Memorandum Order dated November 23, 2020 (ECF No. 96), the defendant, James Louis Jordan, underwent a local sanity evaluation completed by Daniel Murrie, Ph.D. and Claire N. Bryson, Ph.D.. On February 24, 2021, a report summarizing Dr. Murrie and Dr. Bryson's findings was filed under seal (ECF No. 110). The government seeks permission to disclose the conclusion, but not the contents, of the report with the living victims and the deceased victim's family, to facilitate further resolution of this case.

The United States has conferred with defense counsel and they do not oppose this Motion.

Respectfully submitted,

DANIEL P. BUBAR

Acting United States Attorney
